Celebrate the Arrival of Fall with the Providence Retired Club Thursday - October 9th, 2014

Sit back, relax and enjoy the Fall scenery as you travel west towards the spectacular Blue Ridge Mountains of Virginia. Nestled in Virginia's north-central Piedmont region, Orange and Madison Counties are graced with rolling landscapes and incredible views. Don't miss out on fun day tour that takes you to one of the most popular lunch stops in Virginia!

Enjoy a stop in the morning at *Yoder's Market*, operated as a Mennonite family business since 1985. The aroma of homemade soups and fresh baked breads (made from scratch with no preservatives) add to the warm atmosphere. The shelves are filled with dried fruits, nuts, natural snacks, baking supplies, etc. - all hand packed in clear plastic bags. There are more than 75 different meats and cheeses which are freshly cut and sliced for each customer. Don't miss the Inspirational Corner. There you will find books, Bibles, cards, crafts, gifts and more. Bring home some delicious Virginia apples!

Lunch today will be at *Graves Mountain Lodge*, located at the base of the Blue Ridge Mountains. This lodge attracts people from every corner of the state and during this time of year, the fall foliage is breathtaking. Lunch will consist of their fried chicken special, served with several starch and vegetable sidedishes, and homemade dessert.

Spend the afternoon at *Carter's Mountain Orchard*, located on a mountaintop near Monticello that offers spectacular views of Charlottesville, the Piedmont, and the Blue Ridge Mountains. Open April through November, they offer pick-your-own and pre-picked Apples and a bakery that serves fresh-baked pies and cookies, hand-dipped ice cream, and their famous Apple Cider Donuts! Apple Cider, Apple Butter, jams and jellies, local crafts, pumpkins, and gourmet food products are available in their country store.
